- Principal's Report – 6th grade leaving for Sonora (02/02-02/04). Goodies with Grandparents is Feb 9th from 3:30-5:00pm. Our COVID numbers were high when we came back from winter break, but they are way down and 95% of all of our cases were exposures were outside of school.
- President's report – Discussed plans for Valentine's Day treats, a wellness bar for the staff and glider Valentine's for all students
- Treasurer's report –
- Spirit Wear Update – Nothing to report
- Snack Shack Update – Traditional Snack Shack will be back every other week starting February 11th. Still doing bags and \$1 items for kinder only. We also discussed how we need to advertise more to let families know when we are doing snack shack. Needing to flyer / blast social media, etc.
- Update on Monthly Fundraisers –
 - Skate Night – we discussed possible dates in March, ultimately none of the available dates worked for us, so Sara booked us for Wednesday June 1st, and it will be our Skate into the Summer event. This will be a community event, not necessarily a fundraising event.
 - Father/Daughter Dance – Jaime Zarcone agreed to head this event, and the official date is going to be April 29th
 - February Dinner Night - canceled as we had a busy month and didn't want to overwhelm our families.
 - Grams – We changed the Valentine grams to St. Patrick Day grams, for same reasons, a ton going on, and didn't want everyone (ourselves included) overwhelmed. Everything is ready to go, and we will be working with pep and cheer to coordinate and teach them how set up the grams.
- Carnival Update – Janelle has been booking many food trucks. So far, we have Burger Bistro, Me & Ed's, Yosemite Concessions (lemonade, corndogs and kettle corn). We will have a photo booth set up through Larson Bros. Vendors are being booked and being asked to pay a \$20 vendor fee along with donating a basket to our auction. Teachers are being asked to donate a class basket, with the money going back to them, we will create a sign-up sheet along with giving them some theme ideas and post in the work room. We need to get the donation form set up (Sarah Kelley will have this at the March meeting). We discussed doing wrist bands for all inflatables.
